Purpose of the Job

To lead the development phase and prepare reports back to the stakeholders and funders for a significant project of developing Tafarn Crymych Arms and Crymych Football Club house into a thriving community hub. To develop a program of activities and events to connect people with sport, health & well-being and local heritage.

Background

CPD Crymych Ltd (to include Tafarn Crymych Arms) is a Community Benefit Society. It is owned by its members who have invested in the Initiative and is run by a Management Committee which is elected by the members.

Following a successful campaign to raise money through the sale of community shares, the community is on the verge of successfully buying Tafarn Crymych Arms and is now in the process of agreeing plans

for improvements and changes to the building. We have been successful in receiving a grant of over £210,000 from the UK Government in order to design a plan to develop Tafarn Crymych Arms and Crymych CPD and establish a program of activities and events to connect people with sport, health & wellbeing and local heritage, as well as provide social and economic benefits to the local community.

The purpose of this post is to lead the work to develop the project, preparing regular reports for the stakeholders/funders and create new initiatives to develop the project further. Support will be available from the experienced Management Board.

This is an opportunity to play a leading role in an exciting and progressive development, which will provide benefits to the local community for generations to come.

Responsibilities

The Project Manager will be key to the success of the Crymych Football Club and Tafarn Crymych Arms project, by leading the work that is central to the long-term success of the initiative. The main duties of the position will be:

- Collaborate with the Management Board and the sub-board to develop all aspects of the project.
- Engage with the local community and stakeholders to ensure that they are a key part of the development process and that the project meets local requirements.
- Collaborate with supporting and statutory organisations to ensure that good practices are followed and that all necessary licenses and permissions are approved.
- Developing new partnerships with service and activity providers to enable us to engage and work with various audiences, especially those who are under-represented in projects like this and would receive significant benefits from being included.
- Collaborate with the architects and planners to ensure that the capital work of developing the building matches the demand for local services and activities.
- Prepare information for the stakeholders and Board and prepare all supporting documents e.g. Job Description, Briefs, Risk Register etc.
- Commission all external work e.g. Evaluation, Activities Plan, and Interpretation Plan etc.
- Collaborate with the treasurer to manage finances
- Collaborate with the treasurer to prepare and update a detailed report of the project's costs
- Securing the necessary matching funds

- Maintain the risk register
- Prepare regular progress reports
- Act as a point of contact with contractors
- Lead on community engagement arrangements and assist with marketing and promotion tasks, in collaboration with the Marketing Group.
- In consultation with the Manager, coordinate the volunteer register and ensure a program of suitable training for skills development.
- Any other reasonable duty

The post holder will be accountable to the Crymych Football Club Management Committee and Tafarn Crymych Arms Sub-Committee through the Chairman, and will be supported and supervised by appointed members of the Board.
